

BUILDING A BRIGHT ENERGY FUTURE

As your energy needs evolve, Ameren Missouri is powering forward with a plan to keep your energy **reliable and affordable for you and for future generations.**

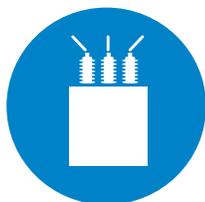

SMARTER, STRONGER ENERGY INFRASTRUCTURE

We're making these **important upgrades** today to protect the future of our shared energy grid.

Stronger Poles

New poles made of strong composite material can better withstand powerful Midwest storms.

New and Upgraded Substations

We are replacing aging substations to make our system more reliable and resilient.

Smart Switches

Smart switches can shorten outages from hours to seconds and increase reliability up to 40%.

Smart Meters

New smart meters give you the power to choose a rate plan that fits your lifestyle.

WHAT DOES THIS MEAN FOR YOU?

CONVENIENCE

Fewer and shorter outages with quicker response times.

CHOICE

Expanded rate options designed to fit your lifestyle.

CONTROL

New, personalized tools to manage your energy use.

Visit AmerenMissouri.com to learn more about these upgrades and to take control of your energy use.
