

PREFERRED ROUTE MAP

DISCLAIMER: This high-level map depicts the preferred route as a 500-foot wide corridor. The requested easement width for the transmission lines will be 100 feet for Phase 1 and 150 feet for Phase 2.

The information provided on this map is for discussion purposes only. Ameren Illinois Company (AIC) and Ameren Transmission Company of Illinois (ATXI) are not bound in any way to the representations reflected on this map. This map does not represent a final determination by AIC and ATXI as to route selection, and AIC and ATXI are not restricted or barred from modifying or deviating from the route proposed, or considering new or different routes. Illinois Commerce Commission Staff or other parties may also propose new or modified routes. All routes are subject to change pending Illinois Commerce Commission approval.
