# Low-Income Home Energy Assistance Program

## How does it work? The Energy Crisis Intervention

**Program (ECIP)** helps you pay your fuel bills when your energy is shut off or threatened to be shut off. The amount of help you get is based on the amount of money needed to settle your crisis with the energy provider.

**Summer ECIP** is available June-September based on funding. The maximum amount of help you could get is \$600.

## What can I get help with?

LIHEAP can help you pay your energy bills and may provide emergency services, such as:

- Emergency lodging
