Ameren Missouri Approved Dock Builders

As a courtesy to Lake of the Ozarks property and dock owners, Ameren Missouri maintains this listing of dock builders that have met minimum insurance requirements and have passed a dock inspection confirming they can construct and /or modify docks in accordance with Ameren Missouri guidelines. Dock owners have the responsibility to ensure that all docks are constructed, installed, maintained and inspected in accordance with Ameren Missouri guidelines and local codes. Ameren Missouri does not warrant, and makes no representations as to the quality or adequacy of the work conducted by dock builders, nor is Ameren Missouri responsible for the workmanship or the business practices of the listed dock builders.
