All processing and permit fees are due at the time of permit application submittal. In addition, docks 3000 square feet or larger will be billed \$0.06/sq. ft. annually, after the permit is issued. Permit fees are non-refundable. The submittal of the permit application fees or the depositing of those fees does not constitute approval for the proposed activity, nor guarantee the issuance of a permit. Any facility installed, or activity completed, without a permit may be subject to an enforcement fee of double the permit fee or more, up to \$2000. An additional \$2000 enforcement fee can be issued for a facility or activity that does not meet Ameren Missouri's permit guidelines. Enforcement fees are in addition to permit fees. *Transfers of permits more than 24 months after a land transfer are subject to a \$100 late fee.
